

### Item 3

Extraordinary Council - 17 April 2026

## Electricity Supply on Village Green

- 1. Introduction**  
SSE Energy Solutions met the Clerk on site on 10 April 2026. They carried out a safety inspection of the power supply and updated the meter in the pillar on the Village Green.
- 2.** The Engineer highlighted areas of safety concern within the electricity pillar and advised the Council to have a qualified Electrician to inspect the pillar and to carry out safety modifications.
- 3. Recommended** that the Clerk engage an Electrician to make the electricity pillar safe for use.
